

Title	Women, Fire and Dangerous Things: What Categories Reveal About the Mind
Publication Type	Book
Year of Publication	1987
Authors	Lakoff, G
Number of Pages	632
Publisher	The University of Chicago Press
Place Published	Chicago, IL
Publication Language	eng
Notes	This book presents some of the most stimulating ideas on mind and meaning I have ever read. It is a book that has far-reaching consequences and is sure to rattle the foundations of thinking and research in the cognitive sciences.
